Field Trips, On-Site Programs, Swimming, and Daily Enrichments for your School-Age Child

(Camp is for children who have completed Kindergarten through 5th grade)

York Suburban is excited to announce our continued partnership with Bright Horizons this summer, providing our exciting summer camp programs! The programs provide full time and partial week care options throughout the summer, Monday through Friday. Camps are held in two convenient locations- at Valley View for Valley View and Indian Rock families and at Yorkshire for Yorkshire and East York families. The camp will be based on weekly themes with literacy, fitness, and technology enrichments daily. Students may attend all summer long or by the week during weekly themes of interest. There are field trips, guest speakers, family activities, and the use of the various YS facilities such as the computer lab, library, art room, gym, and the YSHS swimming pool!
