

Birthday Celebration and Classroom Snacks

Please Note: Birthday celebration and classroom snack services are only available for Grades K-5.

York Suburban School District does not allow food and drinks from outside the school building to be brought in for birthday celebrations. Instead, the Whitsons Culinary Group offers a convenient way for families to provide food and snacks through their Birthday Celebration and Classroom Snacks Service.

Services can be easily purchased by sending a check or cash to school with your order form. Whitsons staff will ensure the food items meet the federal Smart Snack nutritional and allergy requirements/guidelines and distribute the chosen snack to students at the appropriate time in the school day. If you have any questions, please email yssdfoodservice@yssd.org
